Vegans are so annoying sometimes. In the year 2019, They even protested Yeah, even as a non-Muslim I our Eid holiday. They when Veganism still garee. They can needa chill outl be irritating hasn't fully caught on and most people still eat meat: Did you know that Islam was actually like. In the year 2219, the very first Vegan Really? That's religion ever? when almost everyone interestinal believes in Veganism and considers eating meat to be murder: @MuslimSafeSpace

That Vegan trend...
